## CONNECTING GRADUATES AROUND THE GLOBE

Organized by alumni from all the U.S. service academies, the Service Academies Global Summit (SAGS) is an annual professional refresher and a nonprofit endeavor whose purpose it is to develop, inspire and promote fellowship, leadership and professional development, and service for the “super-community” of graduates worldwide from the five U.S. Service Academies. SAGS 2019 is an inclusive and relevant gathering of proven leaders from the business, government, military and NGO/nonprofit sectors who engage in networking opportunities, actionable learning, thought-provoking discussions and collaboration possibilities. Attendees describe it as a transformative experience that strengthens shared bonds and helps its participants to become even better leaders and members of society.

SAGS brings together a community of mutual support and provides an annual professional refresher – a respite from our busy lives wherein we can pause, reflect, recharge and be inspired – as well as a reunion and an opportunity to form friendships with alumni from one’s sister academies. SAGS Summits embody the five trademark qualities of informality, curiosity, fun, respect, and relevant, actionable content. SAGS is organized by volunteers and made possible by our partners, sponsors, speakers and advisors.

\*\*\*This event is being organized in cooperation with the West Point Association of Graduates, the U.S. Air Force Academy Association of Graduates, the U.S. Coast Guard Academy Alumni Association, the U.S. Naval Academy Alumni Association - Greater Washington Chapter, the Kings Point Club of Washington, DC and the U.S. Merchant Marines Alumni Association - Washington, DC Chapter.

Participation by U.S. Department of Defense (DoD) personnel does not imply endorsement by the U.S. DoD or any of its agencies.

A complete list of graduates from the U.S. Service Academies who are helping to organize the Summit will be on the website.
